### **SUMMARY OF ACTIVITY 'September-November 2019.**

Since the project started (1 September 2019) through November 2019 the actions promoted by the Association of Voluntary Telefono Rosa Piemonte Torino (ODV) in the UP & UP project have included:

1. Identification and responsibilities for human resources provided by the project: Dr. Fabiana Balestro Cottino as manager and with administrative tasks, lawyer Elena Bigotti, Dr. Silvia Sandri and Dr. Gabriel Traverso with the role of research / teacher / trainers, Dr. Marco Nannini with technical tasks (web handling and preparation of dedicated pages);
2. Instant sharing as part of the staff of the general program, designed steps and planned actions;
3. Participation at the event in Brussels on 13 and 14 November 2019 by the President and Responsible Coordinator who has expressed her willingness to participate in the coordination of the project activities without any financial burden out of the budget, with payment only of documented expenses;
4. Analysis and comparison of the provisional content of the questionnaires;
5. Identification of possible contexts in which conduct the survey through questionnaires (schools, community centers, ...);
6. Assigning specific roles in the performance of the phase IO1 of the project.

At this stage, the dedicated working days were as follows:

- Administrative support - Dr Fabiana Balestro Cottino, 1 working day
- Research, Teacher, Trainers - Dr. avv. Elena Bigotti, Dr Silvia Sandri, Dr Gabriele Traverso coordinating and analysing questionnaires for administration to young people, parents and educators for 2 working days for each expert

Turin, December 12, 2019
