

PROPOSAL OF ANNUAL DETAIL PLAN

The National Association of Telefono Rosa Volunteers - Onlus, to carry out the activities described in the OI1 or Stereotypes analysis and good practices to break them down, proposes to submit the stereotype survey questionnaire to the students and their teachers and parents of two schools of the territorial area of reference. The recipients of the questionnaire will act as a test object. It intends to identify a high school and an institute whose mission is highly humanitarian and civil. Within them select 1 class of students (1 class in each school). Intends to dedicate to each class n. 3 training sessions of 2 hours each. The first meeting is destined only for teachers; the second to students only; the third, to students during a particular moment of educational activity. The cycle of meetings will end with a counter for restitution.

The analysis of the results will follow.

The training sessions will be resumed and will form an integral part of the training modules in the e-learning platform and of the documentary film.

Furthermore, the questionnaire can also be submitted to other subjects besides those being tested.
